Industrial Visit Report -2022-23

Principal Name: Dr. Arvind. C. Kumbar

Event /Program Organizer Name: Prof. B.M. Sathe

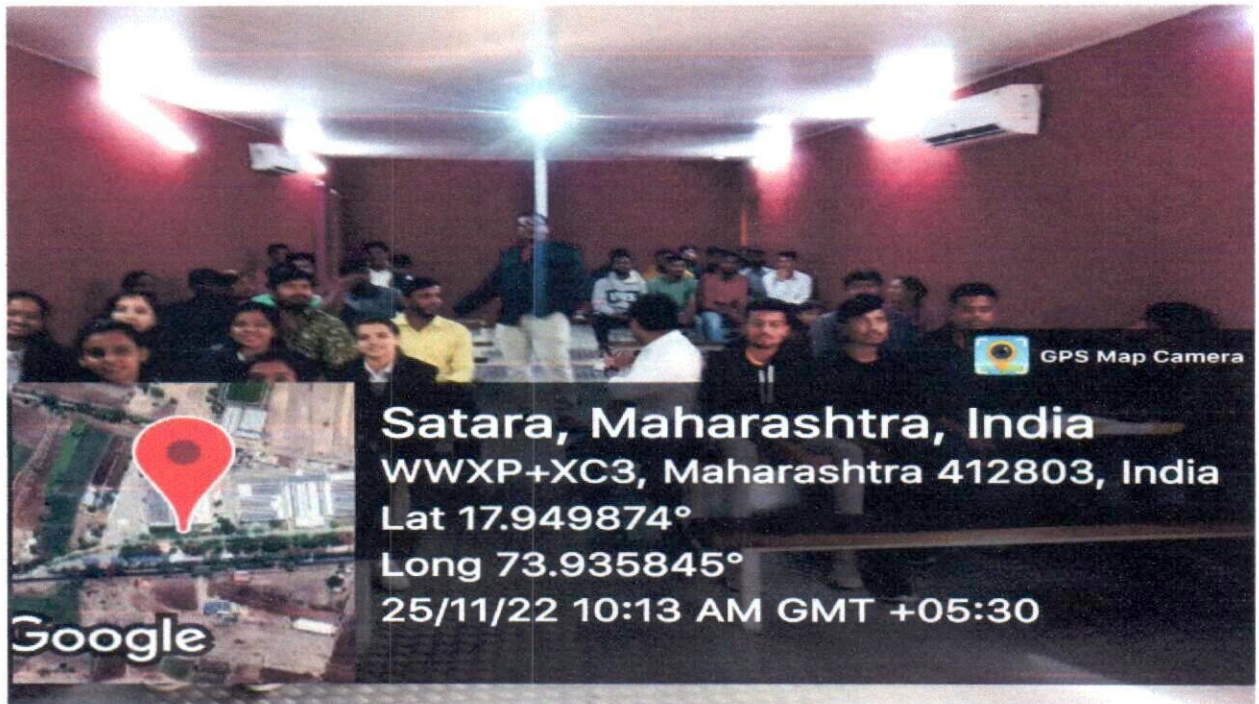

Event/Visit Date: 25 th November 2022

No. of Students Present: 52

On 25 11/22 that was Friday We the students of BBA-II were taken to Industrial Visit to Mapro (Wai) to get actual knowledge of how the production process takes place. Friday morning at 5:30 all the students were gathered at college parking area. Worshipping the bus under the presence college principal of Dr. Kumbhar.A.C sir journey began. Around 11:00 am we reached to Mapro production plant, Wai Tal –wai Dist-Satara

Firstly we entered the company and register our names. Thereafter we were shown ppt presentation on Mapro formation, story of Mapro and Stawberry Cultivation. After that we had a watch on actual manufacturing. While having look over this we came to know that Mapro had added one more unit

'Mazaana' Chocolate , where full process right from Cocoa fruit farming to packing & dispatching was explained. Mazaana makes chocolate Paan, Almond Dates.

White chocolate bar and many more such flavours. After this we had a look on Jam making, making of Crushes & Syrups and Lounge making. It was very nice to see such a production process, machineries and setting of machinery in proper order so that product labelled and packed Simultaneous. In addition to this we were also explained how the bottle is made, washed, filled and packed in such way a such that it make convenient for customers to carry & consume it. Not only production process was explained but also free sample (chocolate, Lounge, jams) were given. Then we went given to Shopping mall to purchase some of its products. Within 1 hour we exited the company and went to Mahabaleshwar tourist places such as Panchganga Mandir, Savitri Point and Venna lake, had enjoyed all this places and spent a good day. This Industrial Visit was knowledgeable and memorable too.

This IV had been proved successful because of the efforts of our project teacher Prof- sathe sir & Class teacher Vasim sir. Our Principal Sir, College and Sanstha also had given great support and permitted us to had such an amazing Industrial Visit

Industrial Visit Report: Mapro Garden Wai Factory

Date: 29th February 2020

Location: Mapro Garden Wai Factory, Wai, Maharashtra

Participants:48

Coordinators: Prof. Sathe B.M. and Prof. Mane S.D.

Introduction:

An industrial visit to the Mapro Garden Wai Factory was organized on the 29th of February 2020 for 48 BBA students from Akluj. The visit aimed to provide the students with practical exposure to the manufacturing processes and business operations of a renowned agribusiness company.

The visit began early in the morning as students and faculty members assembled at the designated meeting point. After a brief introduction and orientation, the group departed for the Mapro Garden Wai Factory, which was approximately a 2-hour journey from Akluj.

Factory Tour

Upon reaching the Mapro Garden Wai Factory, the students were warmly welcomed by the factory staff. The tour commenced with a comprehensive presentation on Mapro's history, product range, and the significance of the agribusiness industry in the region. Students were provided with insights into the company's mission, values, and commitment to quality.

The factory tour was divided into various sections, each focusing on a different aspect of the manufacturing process:

Fruit Processing Unit: Students were able to observe the processing of various fruits into jams, crushes, and squashes. The factory's state-of-the-art equipment and hygiene standards left a lasting impression.

Quality Control and Packaging: The visit included a stop at the quality control and packaging units, where students learned about the rigorous quality checks and efficient packaging processes that ensure that Mapro products meet international standards.

Logistics and Distribution: Students were provided with insights into the supply chain and distribution channels used by Mapro to reach customers across the country and around the world.

Marketing and Sales: The tour also included a visit to the marketing and sales department, where students gained an understanding of the strategies used by Mapro to promote their products and engage with customers

Interactive Sessions:

Throughout the visit, students had the opportunity to interact with factory personnel and ask questions. These sessions helped bridge the gap between theory and practice, allowing students to gain a deeper understanding of the agribusiness industry and the challenges it faces.

Conclusion:

The industrial visit to Mapro Garden Wai Factory was a resounding success. Students were able to witness the entire production process, from fruit cultivation to the final product on the store shelf. The visit proved to be a valuable learning experience, giving the students insights into the practical aspects of agribusiness management and the importance of quality control and marketing in the industry.

The faculty coordinators, Prof. Sathe B.M. and Prof. Mane S.D., played a play a vital role in ensuring the smooth execution of the visit. Their guidance and coordination were instrumental in making this educational excursion a memorable one.

The visit was not only informative but also inspirational, encouraging students to consider career opportunities in the agribusiness sector. It was an enriching experience that will undoubtedly contribute to the academic and professional growth of the BBA students from Akluj.

Acknowledgment:

We extend our gratitude to Mapro Garden Wai Factory for their warm hospitality and for providing valuable insights into the agribusiness industry. We also thank Prof. Sathe B.M. and Prof. Mane S.D. for their excellent coordination

Industrial Visit Report.

Date-12/09/2019

Shivratna Institute of Management Studies, Shankarnagar, Akluj (BBA) at Shivamrut Dairy on 12/09/2019 Prof. Kangale.N.R is a Incharge of Industrial Visit .

I am writing to provide you with a detailed report on the industrial visit conducted by Shivratna Institute of Management Studies (BBA) to Shivamrut Dairy on 12th September 2019.

Objective of the Visit:

The primary objective of the industrial visit was to provide the students with practical insights into the dairy industry. This visit aimed to bridge the gap between theoretical knowledge and real-world application, enhancing the students' understanding of various concepts learned in the classroom.

Visit Details:

Date: 12th September 2019

Location: Shivamrut Dairy, Vijaynagar-Vizori.

Overview of Shivamrut Dairy:

Shivamrut Dairy, located in Vizori is a leading dairy processing unit known for its state-of-the-art facilities and commitment to quality. The dairy is engaged in the production of a wide range of dairy products, including milk, butter, and various types of cheese.

Activities during the Visit:

Introduction Session: The visit began with an introductory session by the dairy's management, providing an overview of Shivamrut Dairy's history, mission, and operations.

Factory Tour: Students were taken on a comprehensive tour of the dairy's processing unit. They witnessed various stages of production, from milk collection to processing and packaging. The tour covered the use of modern machinery and technology in ensuring product quality and efficiency.

Quality Control Unit: A detailed explanation of the quality control measures implemented at Shivamrut Dairy was provided. Students gained insights into the testing procedures for raw materials and finished products to meet industry standards.

Interaction with Staff: Students had the opportunity to interact with the dairy's staff, including production managers, quality control experts, and maintenance personnel. This allowed them to understand the roles and responsibilities of different professionals within the dairy industry.

Q&A Session: A question-and-answer session was conducted, providing students with the chance to clarify doubts and seek additional information from the industry experts present.

Feedback and Learning Outcome:

The students expressed great enthusiasm and appreciation for the visit. They found the practical exposure highly beneficial in understanding the complexities of dairy production and management. The visit enhanced their knowledge about the dairy industry's functioning, and they gained insights into the challenges and opportunities within the sector.

Conclusion:

The industrial visit to Shivamrut Dairy proved to be a valuable and enriching experience for the students of Shivratri Institute of Management Studies. It effectively complemented their academic learning and provided a real-world perspective on the concepts discussed in the classroom. We are grateful to Shivamrut Dairy for facilitating this insightful visit.

Subject: **Request for Industrial Visit Permission on 11th May 2022**

Dear Sir,

I am writing on behalf of Shivratna Institute of Management Studies. We are planning an industrial visit to gain practical insights into the textile industry, and we are keen on visiting Cottonking Baramati on the 11th of May 2022. The purpose of our visit is to expose our students/employees to the operational aspects of a successful textile business like Cottonking.

Please let us know if there are any specific guidelines or requirements we should adhere to during our visit. We truly appreciate your time and consideration of our request.

Thank you for considering our request, and we look forward to your positive response.

Sincerely,

Principal

Industrial Visit Report - Cottonking Baramati Plant

Objective:

The industrial visit to Cottonking Baramati Plant aimed to provide SIMS College students with insights into the textile manufacturing industry. Mr. Khandu Gaikwad, CEO of Cottonking, graciously guided us through the entire processing of the plant.

Summary:

Introduction began by detailing the raw material intake, emphasizing the significance of selecting premium cotton for their products. Elucidated the various stages of processing, from ginning to weaving, highlighting the plant's commitment to maintaining quality standards.

Processing Overview:

1. Raw Material Handling: The visit commenced with an overview of the raw material intake process. Mr. Patil Sir, Plant Manager of Cottonking, elucidated the importance of selecting premium raw materials and how it influences the quality of the final fabric.

2. Fabric Weaving: Students were guided through the weaving section, witnessing the transformation of yarn into fabric. The intricate machinery and skilled workforce showcased the precision and efficiency involved in this crucial stage of production.

3. Dyeing and Printing: The visit included an informative session on fabric dyeing and printing processes. Manager highlighted the use of advanced technologies for cutting, stretching and viewing intricate patterns while ensuring sustainable and eco-friendly practices.

4. Finishing and Quality Assurance: The tour extended to the finishing section, where students learned about the final processes that enhance the texture and appearance of the fabric. Cottonking's commitment to quality assurance, showcasing the various checks and measures in place. Cottonking maintains a stringent quality assurance process, ensuring their products meet global standards.

Sustainability Initiatives:

Mr. Gaikwad Sir shared the plant's commitment to sustainability, detailing initiatives such as waste reduction, energy efficiency, and responsible sourcing. This aligns with Cottonking's vision to contribute positively to both the industry and the environment.

Conclusion:

The industrial visit to Cottonking Baramati Plant provided valuable insights into the textile manufacturing process. Informative session allowed students to bridge theoretical knowledge with practical industry applications. This experience will undoubtedly enhance our understanding of the textile sector.

Subject: **Gratitude for Allowing Industrial Visit and Plant Information**

Dear Sir,

I extend my heartfelt gratitude for granting us permission to conduct an industrial visit. Your generosity in allowing us access to your facility is immensely appreciated. The opportunity for our students and staff to witness the inner workings of CottonKing is invaluable and will undoubtedly enhance their understanding of the textile industry. Your team's willingness to share their expertise and answer our queries has contributed significantly to our educational objectives.

We are truly thankful for your support and hospitality throughout our visit. The experience has not only broadened our knowledge but has also inspired the participants in their pursuit of excellence in the field.

Once again, thank you for opening the doors of CottonKing Baramati to us. We look forward to the possibility of future collaborations and continued learning from your esteemed organization.
